Table C of Agricultural Statistics of Bengal for the year 1892-93.

Incidence of the land revenue on area and population

N.B—Under instructions contained in Board's letter No. 1220A., dated the 13th September 1893, column 2 of this Table shows the area of estates situated within the district boundaries but borne on the Revenue Roll of another district. This accounts for

Districts and Class of Tenure.	Total area by survey, less feudatories.	Deduct area not fully assessed, including estates assessed at privileged rates.	Balance of area fully assessed.	Total land revenue, excluding cesses of district (col. 2).	Population of district (col. 2).	Land revenue per head of population (cols. 5 and 6).

Incidence of the land revenue on area and populat ion

N.B.—Under instructions contained in Board's letter No. 1220A., dated the 13th September 1893, column 2 of this Table shows the area of estates situated within the district boundaries but borne on the Revenue Roll of another district. This accounts for

Districts and Class of Tenure.	Total area by survey, less feudatories.	Deduct area not fully assessed, including estates assessed at privileged rates.	Balance of area fully assessed.	Total land revenue, excluding cesses of districts (col. 2).	Population of district (col. 2).	Land revenue per head of population (cols. 5 and 6).

Incidence of the land revenue on area and population

N.B.—Under instructions contained in Board's letter No. 1220A., dated the 13th September 1893, column 2 of this Table shows the area of estates situated within the district boundaries but borne on the Revenue Roll of another district. This accounts for

Districts and Class of Tenure.	Total area by survey, less feudatories.	Deduct area not fully assessed, including estates assessed at privileged rates.	Balance of area fully assessed.	Total land revenue, excluding cesses of district (col. 2).	Population of district (col. 2).	Land revenue per head of population (cols. 5 and 6).

* Exclusive of Lohardaga, for which figures have not been supplied.

‡ The Board's Land Revenue Report for 1892-93 shows Rs. 3,83,34,397 (less quit rents from Feudatory States). The difference is in part accounted for by inclusion of the land revenue of the Chittagong Hill Tracts and Angul and Khondmals in this Table, which is not included in the Board's Land Revenue Report.

† Exclusive of Jalpaiguri and Lohardaga, for which figures have not been supplied.

in the year ending 31*st March* 1893.

borne on the Revenue Roll of the district whether wholly situated within the district boundaries or not, and does not include lands of estates partly some discrepancies between the areas returned in column 2 of this Return and the areas shown in Table A(1).

Land Revenue assessed on fully assessed area (col. 4).	Incidence of land revenue (column 8) on fully assessed area (Column 4) per acre.		Population of fully assessed area.	Land Revenue assessment per head of population of fully assessed area (cols. 8 and 11).	Towns over 10,000 inhabitants.

Department of Land Records and Agriculture, Bengal,
The 28th March 1894.

BENGAL. (a)

during the year ending 31*st March* 1893.

Number of estates.	Number of villages.	Number of holders or shareholders.	Gross area.	Average area of each estate.	Average assessment of each estate.	REMARKS.
2	3	4	5	6	7	8
No.	No.	No.	Acres.	Acres.	Rs.	
12		14	6,452,570	537,714	2,57,754	(a) This consolidated return is compiled from figures furnished by District officers for the year 1892-93, except in the case of Burdwan, Jessore, Mymensingh, Bhagalpur, Sonthal Parganas, Cuttack and Palamau districts for which revised returns have not been received and for which, therefore, the figures returned to this office for the year 1891-92 have been repeated.
40		1,831	6,448,534	161,213	1,00,424	
...		...	...	...	...	
26		19	8,498,664	326,871	15,443	
824		14,463	18,818,795	22,838	12,164	(b) The Board's Land Revenue Report for 1892-93 shews 179,048 revenue-paying estates of all classes. This table shews (after deductions of entries against cross-headings 6 and 7) 172,865 revenue-paying estates. Some discrepancies have been pointed out for particular districts in this return, and the discrepancy is partly accounted for by adoption for seven districts of figures returned for 1891-92 as noted in (a) above.
...		...	...	...	...	
122		264	1,760,739	14,432	804	
29,849		273,186	29,679,591	994	523	
...		...	...	...	...	
73		42	98,465	1,349	44	(c) The "average assessment of each estate" shewn in column 7 against the cross-heading "Total" has been obtained by dividing the total land revenue shewn in column 5 of table C by the total number of revenue-paying estates only (*i.e.* estates shewn against cross headings 6 and 7 have been omitted from the calculation).
